

Instructions on How to Link Your Blog To Your LinkedIn Account

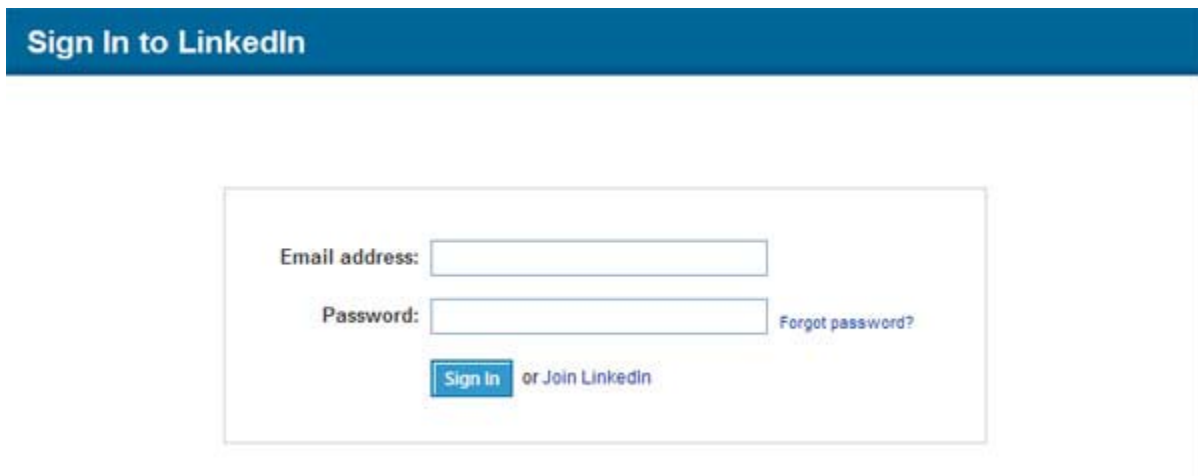

Link Your Blog to Your LinkedIn Account

If you already have a LinkedIn account, it is very easy to do. If you do not have a LinkedIn account, we strongly recommend that you sign up for a free account. We have put together a quick guide that will show you how to do this. You can download the guide by clicking [here](#).

Step 1 – Log In

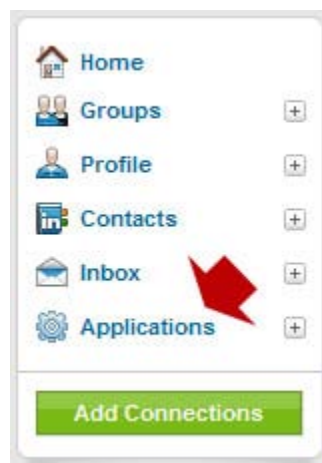

Log into your LinkedIn account by visiting https://www.linkedin.com/secure/login?trk=hb_signin

The screenshot shows the LinkedIn login interface. At the top, there is a blue header with the text "Sign In to LinkedIn". Below this, there is a white box containing the login form. The form has two input fields: "Email address:" and "Password:". To the right of the password field is a link that says "Forgot password?". Below the input fields is a blue button labeled "Sign In" followed by the text "or Join LinkedIn".

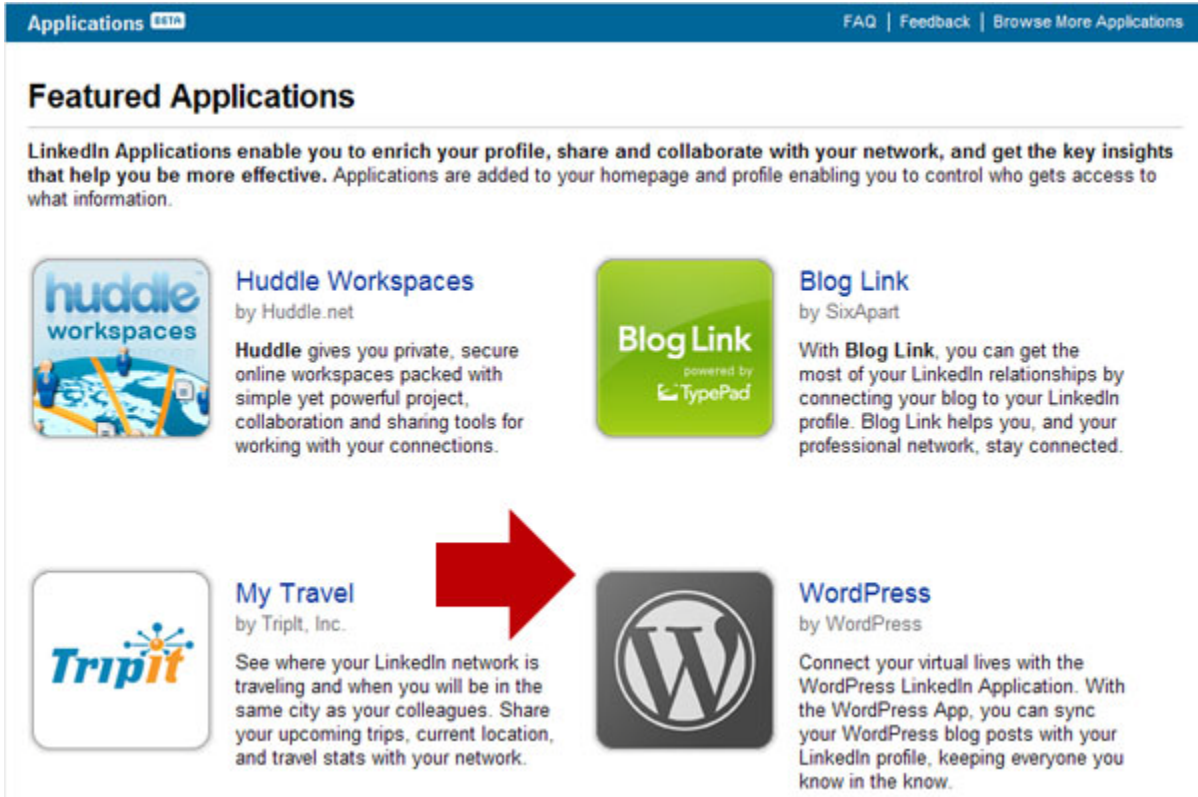

Step 2 – Click on Applications

Click on the applications button on the left hand side menu. This will allow you to choose different applications to install in you LinkedIn account.

Step 3 – Select Application

Your blog is powered by “Word Press”, the #1 blogging platform available. You will need to click on the “Word Press” application button to start the install process.
